End of Year Newsletter July 2020

17th July 2020

Dear Parents/Carers

Never would I have believed that I would be writing the final newsletter of the year with less than a third of our pupils in attendance at school. School this term has been quiet, empty and lacking the usual buzz that our pupils bring to our school environment. There have been many challenges particularly Lockdown and Home Schooling. We have all tried to create the 'new normal' allowing our pupils to continue their education with as little disruption as possible. I would like to take this opportunity to thank all of our pupils, parents, teachers, support staff and governors for their hard work and continued support.

Thank you also for your queries and questions regarding the September return. We have amended some items such as: staggered drop off times for Years 1 to 6: water bottles: P.E kits and homework. Please see amended letter on our website.

As our future is still somewhat uncertain, I know that whatever challenges we face in the new school year, we will rise to them as we have done this year for the benefit of everyone in the Holley Park School Community.

Finally, can I wish you all a restful and well deserved summer break, to re charge your batteries ready to return to our 'new normal' in September 2020.

Yours sincerely,

Mrs S Richards
