

MEET THE TEACHER!

PE

Our PE day is Friday so please ensure your child comes dressed in their full PE kit

School Uniform

A reminder that our school uniform now consists of a white shirt (available from any store) and a tie and cardigan or jumper (available from Little Gems). Skirts and trousers remain the same as always - grey. Blue gingham dresses are also acceptable in warm weather. Please ensure

Extra information

- Please remember to bring a water bottle in for your child every day.
- Please inform the school if there are any changes to collection arrangements for your child.

Homework

Each week your child will receive homework. The subject matter of the homework will vary depending on our studies; the focus will usually be on Maths or Literacy and this will be given out via edulink. Homework will be sent out on a Thursday and will stay on edulink for one week.

Please read regularly with your child and help develop their word recognition and comprehension skills by questioning your child on what they have read, encouraging them to use the text as support and evidence for their answers. The children will read their school reading book to an adult in school each week, as well as continuing with Read Write Inc every day.

The children will also receive weekly spellings via edulink. The spellings will be based on a sound pattern and the children will be given 5 words to learn which will make up part of the test. They will also be given two extra spellings to encourage the children to apply their knowledge to other words. The test will take place in school each Friday.

Class Teacher: Mrs Whyte

TA: Mrs Chamberlain

Thank you all for your continued support during these very strange and difficult times. We will continue to do our very best to ensure your child feels safe and happy in our school.
