

## Holley Park Academy Year 5 Mrs Gallant

*We can't believe that Christmas is almost here and we have already finished the autumn term in Year 5! How time flies! Although we are all looking forward to Christmas, we still have time to look back at the experiences we have had this term...*

### The Green Team

We have been finding out how we can prevent climate change and have even formed our own Year 5 Green Team to help us to reduce, reuse and recycle in school.

Our topic (based around Geography, English, History, Art and RE) has been based on The Vikings. We have also covered lots of PSHE and discussed mental health, friendships & relationships, British Values, Anti-Bullying and how we can help to save our planet.

### Buddy Time

We have loved playing and working with our buddies this term. We have been taking part in lots of exciting adventures and activities outdoors.

### Moon Phases

We used Orio cookies to help us understand the phases of the moon.

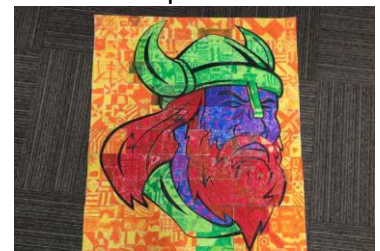

### Big Maths

We have been working outdoors to improve our maths skills.

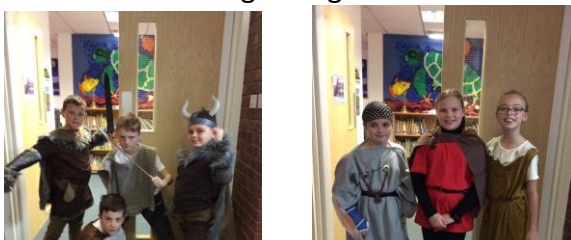

### Viking Art

We worked together to produce a whole class Viking art picture.

### Viking Workshop

We enjoyed taking part in our Viking workshop and discovering what life was like during Viking times.

### Halloween Day

We celebrated Halloween and enjoyed some party games too. We definitely looked scary!
