

Holley Park Academy

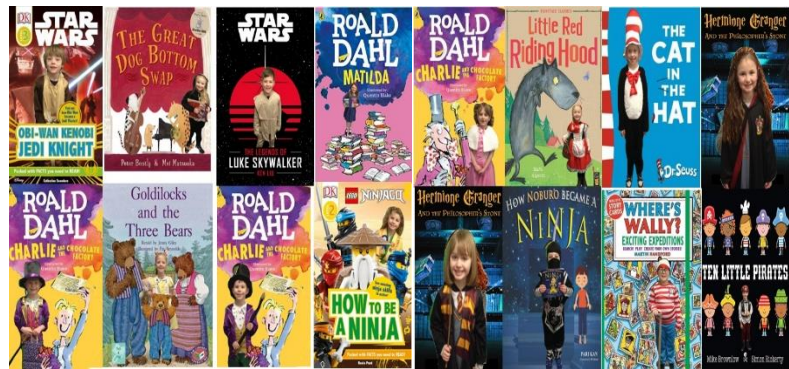

Spring Term-Year 1-Mr Keelan

"Congratulations Year 1 on what has been an amazing spring term. You have all worked extremely hard this term and I know that you will keep up the hard work when we come back to school after the holidays. I hope you all have a great Easter. Let's have a look at what we have been doing this term!" - Mr Keelan

NOTE TO PARENTS: Scan any QR codes with your smartphone or tablet to see some videos of what we have been up to this term!

World Book Day

We celebrated World Book Day by dressing up as some of our favourite book characters. We completed activities based on the characters that we had dressed up as and posed for photos so we could be cropped into the front covers of their books.

Our PHSE Lessons

In our PHSE lessons we have been learning about keeping healthy. We have looked at how we can exercise to keep healthy, what foods we can eat to have a healthy balanced diet and we even sang a song on how we brush our teeth as a way of staying healthy! Check out our song by scanning the QR code!

Comic Relief - Red Nose Day

We took part in Red Nose Day by dressing in red or dressing up as superheroes. We designed our own red noses, built habitats for the 2022 animal themed red noses, and incorporated red noses into our maths lesson!

British Science Week

We did a wide range of experiments as part of British Science Week!

Discovery Museum Trip

We went to The Discovery Museum in Newcastle on our school trip. We learned all about boats and their different purposes and even built our own boats before exploring the museum!
