

Holley Park Academy - Year 5 Miss Welsh

The end of the Summer term has arrived and Year 5 would like to celebrate our work and achievements. We have had a fantastic year together and I cannot believe the end of Year 5 is here! All of the children have continued to work incredibly hard in all of their learning. Take a look at some of the wonderful things we have been doing ...

Numeracy

In Numeracy, Year 5 have been taking part in maths investigations so that they have the opportunity to apply their knowledge.

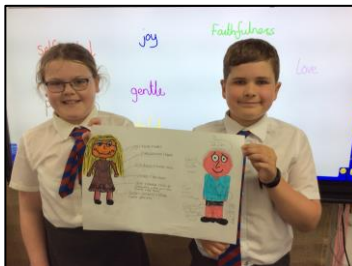

Coronation Garden

Year 5 have been helping to look after the Coronation Garden.

RE

In RE, Year 5 have been learning about Humanism.

Buddy Time

Year 5 have enjoyed spending time with their buddies.

The King's Coronation

To celebrate the King's Coronation, the children took part in some exciting activities. We created portraits of the king, sang the new national anthem and worked in the Coronation Garden.

Good Luck in Year 6!

From Miss Welsh 😊 x
