

Holley Park Academy - Year 3 Mrs Dann

The end of the Summer term has arrived and Year 3 would like to celebrate our work and achievements. We have had a fantastic year together and I cannot believe it's the end of the academic year! All of the children have continued to work incredibly hard in all of their learning.

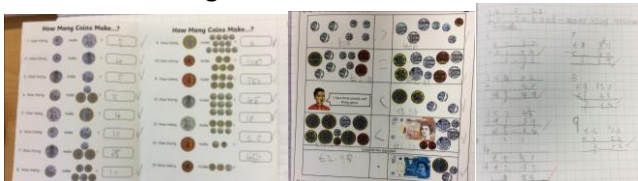

Literacy

We have used the key skills taught across Year 3 to analyse and write various text types linked to our class novels, topics and silent animations from The Literacy Shed.

Numeracy

In Numeracy, we have been learning to add and subtract money and work out the change required when buying items. We have also been telling the time to the minute.

Science

In Science, we've had fun using practical equipment to support our learning when looking at the topics: light and dark; magnet and forces, rocks and plants.

The King's Coronation

Sports Day

Tennis

Topic

This term, we've enjoyed learning about the Romans and how powerful the Roman army was. We've even wrote our own persuasive adverts encouraging people to join the Roman army.

Goodbye to the lovely Faye. You'll be a huge miss in Year 4 and we all wish you the best of luck in your new school!

Good luck in Year 4 everybody!
We will miss you.

From Mrs Dann and Ms Mitchell 😊 x
