

Year 1 Miss Sandland

*This year we've worked hard together and I'm proud of all you've done,
We've got to know each other and we've had a lot of fun.
Our final term has come to an end so it's time for you to rest,
Before you go, I hope you know, having you as my class has been the best!*

We are so proud of all of our work and achievements this year. Have a look at some of our fantastic learning from the summer term 😊

King's Coronation

This term we celebrated the King's Coronation. We enjoyed learning what happens during the Coronation ceremony, making decorations with our buddies, creating bookmarks, crowns and coins and decorating cakes with red, white and blue icing, before the best part, eating them!

Religious Education

In Religious Education we learned about who Christians believe made the world. We then retold The Creation Story, capturing each day in freeze frame poses. We learned about some inspiring people who cared for others in exceptional ways, including Florence Nightingale, Thomas Barnardo and Grace Darling. We discussed how they inspired other people to care and were introduced to the Golden Rule – to treat others as you would like them to treat you.

Sports Day

In June we had our KS1 Sports Day. We all took part in each activity, including the hurdles, balancing bean bags, the egg and spoon race and the sack race. Well done to all for taking part – and well done to the winning team, Hylton!

Literacy

In our literacy lessons, we have enjoyed reading different fiction stories, including Handa's Hen, Handa's Surprise and The Ugly Sharkling. We retold stories, wrote in the first person as different characters and created a new character to write our own story. We compared fiction and non-fiction texts, identified key features of non-fiction and wrote a non-fiction text about the seasons.

Numeracy

In numeracy we learned about position and direction, including different turns and moving forwards, backwards, left and right.

We learned to find a half and a quarter of objects, shapes and quantities and learned to count in 2s, 5s and 10s. We made equal groups, arrays and were introduced to money, including coins and notes. We also learned to tell the time to the hour and half past the hour.

KS1 Trip

This term we were very excited to go out of school and go on a trip to Adventure Valley. We had a brilliant day from start to finish – feeding the animals, digging for gold, going on tractor rides, jumping on the bouncy pillows, playing on the park, having a picnic and racing each other on the runaway racers. Miss Sandland and Mr Rodger even had a race – nice try Mr Rodger! We all behaved brilliantly, had lovely manners towards other visitors and staff and represented the school well. We had so much fun and made our teachers very proud!

Walk Wise

We took part in the Walk Wise programme, which taught us to be considerate of other pedestrians and developed our understanding and awareness of safer road use. We now know and follow the most important rules for road safety – stop, look, listen and think!

It has been an absolute pleasure to teach you this year. I wish you all the best of luck in Year 2 – I'm sure you will continue to be amazing!

From Miss Sandland 😊
