

### EYFS Miss Watson

EYFS have had a fantastic Summer term and I cannot believe the end of the Year is here! All the children have continued to work incredibly hard in all of their learning and they are ready for a new challenge in their next year group. We are so proud of every child's achievements and we would like to take the opportunity to say thank you for your continued support. Have a lovely summer and we will see you in September!

We have enjoyed watching our plants grow this summer and used them for observational art.

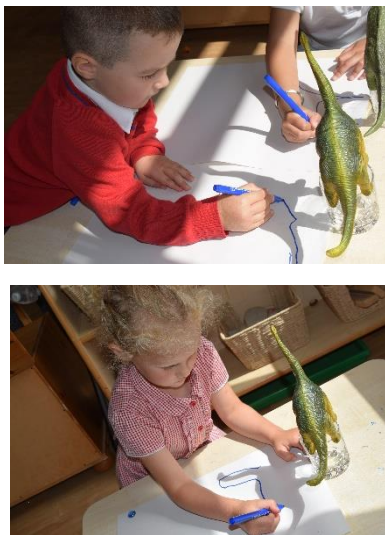

The volcano project: This term the children decided they wanted to make a real volcano! Mrs O'Kane has worked with the children through each stage of the process too build our very own working volcano.

Sports Day: We enjoyed taking on a variety of races for our EYFS Sports Day. It was great having out parents and carers there to cheer us on!

We have enjoyed using the summer sun to create some shadow art!

This term we introduced the new phonics scheme Little Wandle. We have been working very hard to learn phase 2 and 3 sounds as well as working on our reading and writing skills. We are so proud of how much we have achieved in just one term!
